

hackPHS 2026 Participant Agreement

hackPHS 2026 is a 24-hour overnight hackathon at Princeton High School, 151 Moore Street, Princeton, NJ 08540, from 9:00 AM Saturday, October 10 to approximately 12:00 PM Sunday, October 11, 2026.

Participation in any and all hackPHS activities requires this signed packet.

I want my child or myself [note that no adults beyond high school are permitted to participate at hackPHS] to participate in hackPHS 2026 (the “Event”) at Princeton High School (“PHS”). Program activities may include and are not limited to: an award ceremony, a project creation event, and math/cs workshops/games (collectively, “Event Activities”). I understand that Event Activities may be suspended, terminated or shifted to a different format for various reasons or circumstances at Princeton High School’s sole discretion.

1. Code of Conduct

- I will act with honesty, respect, and fairness toward other participants, organizers, volunteers, and school staff, and I will follow instructions from hackPHS staff.
- I will stay in designated areas and will not damage Princeton High School or hackPHS property.
- No tobacco, vaping, alcohol, or drugs (other than prescribed medication) at any time, per Princeton Public Schools policy.
- I will not use code, assets, or material I do not have the right to use.
- Violating this code, as judged by hackPHS staff, means immediate removal and disqualification from the event. hackPHS reserves all rights to remove participants from the Event at any time.

[] I have read and agree to the MLH Code of Conduct (mlh.io/code-of-conduct) and authorize hackPHS to share my registration information with Major League Hacking in line with the MLH Privacy Policy (mlh.io/privacy).

2. Waiver and Release

I understand that attending hackPHS involves risks, including extended hours and sleep deprivation, use of electrical and computer equipment, food that may contain or have contacted allergens, and moving around school grounds at night. I and my affiliates accept these risks completely. I and my affiliates release hackPHS, its organizers, volunteers, sponsors, and agents from any claim of any kind, including but not limited to injury, property loss, or financial loss, arising before, during, or after the event, regardless of cause, and I and my affiliates agree not to pursue legal action against hackPHS and anyone on behalf of hackPHS and/or Princeton High School. hackPHS is not responsible for lost, stolen, or damaged personal property. I hereby, on behalf of myself and my child and those acting on our behalf, irrevocably and unconditionally release, waive, and promise not to sue PHS and/or anyone on behalf of PHS, from and for any and all liability for injuries, damages, claims, demands, actions and causes of action, arising from or connected with my minor child’s participation in the Event and/or Event Activities, including but not limited to transportation related to the Event and the securing of or failure to secure medical treatment. I keep ownership of my project but grant hackPHS the right to display, judge, and show it in recaps and promotion indefinitely. This agreement is governed by New Jersey law; if any of its provisions are declared illegal, unenforceable, or ineffective, they shall be deemed severable, and all other provisions shall remain valid and binding.

3. Photo and Media Release

hackPHS photographs and records the event. As a condition of participation, I grant hackPHS a permanent, royalty-free right to use my image, likeness, voice, name, school, and project in any media, now known or later developed, for event promotion, sponsor materials, and its not-for-profit mission, without approval or payment whatsoever.
